Experience

Minelli Branding Consultancy: Boston, MA / 2010-present
Design, write copy and provide comprehensive brand planning and identity design systems for clients including The Institute of Contemporary Art, Cal Modern Museum, Amon Carter Museum and Harvard Medical.

Pentagram: New York, NY / Intern, 2009
Supported Michael Bierut's team by meeting their high standards of craft, concept, design and strategy.

Pressley Johnson Design: Chicago, IL / 2006-2008
Designed print and interactive work from concept to finished piece. Art-directed photographers and illustrators, managed clients, completed press checks and crafted brand standards.

Barkley: Kansas City, MO / 2005-2006
Designed for national ad campaigns and worked on a select design team which specialized in identity and collateral design.

Willoughby Design: Kansas City, MO / Intern, 2004
Assisted in designing projects for non-profit, boutique and restaurant clients.

Published Online / Print

My visual work and writing has been featured on blogs such as: Design Observer, Chronicle Books, Under Consideration, Oh So Beautiful Paper, For Print Only, Lovely Stationery and Apartment Therapy. I was recently named a twitter influencer by Pattern Pulp.

Special Materials & Technology in Graphic Design / Dopress, Shanghai
London trend-spotting magazine *Stylus* profiled my work
